**COMMENTS**

Henry Royse ("Royse"), by his attorney and pursuant to Section 1.420 of the Commission's Rules, hereby files Comments in support of the Commission's Notice of Proposed Rule Making ("NPRM") in the above-referenced docket, released September 30, 1993.

In support thereof, the following is respectfully shown:

1. The NPRM proposes the allotment of Channel 231A to Glasgow, Kentucky. Royse hereby incorporates, by reference, his previous pleading in this docket. Royse also reiterates that it supports the allotment of Channel 231A to Glasgow, Kentucky, that it will apply for the channel if it is allotted, and if Royse's application is granted, Royse will build the proposed facility promptly.

2. Footnote 1 to the NPRM noted that although Royse's request was signed and his address provided, Royse's Petition failed to include an affidavit verifying that the statements contained in the Petition were accurate to the best of his

knowledge pursuant to Section 1.52 of the Commission's Rules and, therefore, Royse was requested to rectify this omission in his Comments. Attached hereto is the Declaration of Henry Royse verifying that the statements contained in his July 30, 1993 Petition were accurate to the best of his knowledge.

3. Consequently, Royse respectfully urges the Commission to issue a Report and Order authorizing the allotment of Channel 231A to Glasgow, Kentucky.

Respectfully submitted,

HENRY ROYSE
